

Strategic Planning Coordinating Committee  
September 9, 2010  
3:30 p.m.  
Fire Station #5, 2750 W. Kearney  
Co-Chairs: Mark McNay and Robin Melton

Minutes

Co-Chair Robin Melton opened the meeting by welcoming those in attendance. A motion was made to approve minutes from the August 31, 2010, meeting. There was a second, and the minutes were approved.

Greg Burris stated that there are still a few remaining times available to man the booth at Cider Days. He said with only a few left, he will ask City Council members if they would like to have the opportunity to help. He stated the same booth will be used for the event at the Expo Center in October, so those that were unable to help with Cider Days will have an opportunity at that event.

Leah Jenkins, representative for the Arts, Culture & Tourism Planning Committee, and Matt O'Reilly, representative for the Natural Environment Planning Committee gave presentations regarding their respective draft chapters. Those present from the Strategic Planning Coordinating Committee gave feedback and asked questions. Jenkins and O'Reilly addressed questions and will incorporate any changes to their respective reports.

The Coordinating Committee is contemplating ways that specific elements within Draft Chapters can be shared with the community for additional input. While the booths at Cider Days and Business Expo will be excellent, it may be important to gain additional detail.

Meeting was adjourned.

The next meeting is scheduled for Tuesday, September 21, 2010, at 3:30 p.m. at Greene County Election Center Training Room.
